North Springs
Improvement District
Revised Agenda

Wednesday
February 7, 2017
5:00 P.M.

District Office
9700 NW 52nd Street
Coral Springs, FL 33076

1. Roll Call

2. Approval of the December 6, 2017 Meeting Minutes

3. Supervisors Request and Audience Comments

4. Approval of Engagement Letter for Bond Counsel and Disclosure Counsel Representation for the Special Assessment Bonds, Series 2018 (Pump Station No. 3 Assessment Area)

5. Public Hearing relating to the proposed adoption of **Resolution 2018-05** authorizing certain assessable improvements within certain lands in the District designated as Pump Station No. 3 Assessment Area; equalizing, approving, confirming, and levying special assessments on property in Pump Station No. 3 Assessment Area specially benefited by such assessable improvements to pay the cost thereof; providing for the payment and the collection of such special assessments; and confirming the intention to issue special assessment bonds; among other matters.

   A. Motion to Open the Public Hearing

   B. Public Comment and Discussion

   C. Consideration of Resolution 2**018-05** described above

   D. Motion to Close Public Hearing

6. Adoption of Resolution **2018-06**, Authorizing the Issuance of Special Assessment Bonds, Series 2018 (Pump Station No. 3 Assessment Area) in an aggregate principal amount not exceeding $4,625,000 to finance the cost of certain public assessable improvements for the Pump Station No. 3 Assessment Area, fund required reserves and pay related costs, subject to the parameters set forth therein, and providing for certain matters related thereto, including the authorization of various documents and instruments, the negotiated sale of the Bonds and the delegation of authority to appropriate District representatives in connection with the Bonds.

7. Approval of Resolution **2018-07**, Declaring Certain Tangible Personal Property Surplus Equipment and Authorizing the District Manager to Sell or Dispose of Said Equipment.

8. Staff Reports

A. Manager
   I. Consideration of Assessment Prepayment Agreement with Lennar Homes, LLC
   II. Consideration of Preliminary Agreement for Issuance of Assessment Revenue Bonds, Parkland Bay
   III. Approval of Purchase of 2018 Ford F-150 Truck in the amount of $29,708.00
   IV. Approval of Purchase of Three 2018 SeaArk 1660 MVT Boats and Three 2018 Continental Trailer Model C717 Trailers for a Total Amount of $22,348.00

B. Attorney
   I.

C. Engineer
   I. Approval of 2017/2018 Updated Rate Schedule from CH2MHill
   II. Approval of Change Order No. 5, RFQ 2014-3, Water Treatment Plant Employee Operations Facility for a deduction in the amount of $5,000.

9. Approval of Financials and Check Registers

10. Adjournment

RESOLUTION 2018-07

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE NORTH SPRINGS IMPROVEMENT DISTRICT DECLARING CERTAIN TANGIBLE PERSONAL PROPERTY SURPLUS EQUIPMENT AND AUTHORIZING THE DISTRICT MANAGER TO SELL OR DISPOSE OF SAID EQUIPMENT AS EXPEDITIOUSLY AS POSSIBLE AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors of the North Springs Improvement District owns certain tangible personal property as more fully described in Exhibit 'A', attached herein, and;

WHEREAS, said tangible personal property is no longer useful to the North Springs Improvement District and;

WHEREAS, the District desires to declare said equipment on Exhibit 'A' as surplus property and;

WHEREAS, the North Springs Improvement District and Broward County entered into a Large User Wastewater Agreement, dated May, 1989, which has been amended by the parties by an Addendum and Amendments thereto (collectively, the "Large User Wastewater Agreement"); and

WHEREAS, the District desires to authorize the District Manager to sell or dispose of said equipment as appropriate.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE NORTH SPRINGS IMPROVEMENT DISTRICT;

Section 1. The recitals above are true and correct and incorporated herein as if set forth in full herein.

Section 2. The District Manager is hereby authorized to take the necessary and appropriate steps to sell at auction or dispose if appropriate, said property.

Section 3. All sections or parts thereof which conflict herewith are, to the extent of such conflict, superseded and repealed. In the event any portion of the Resolution is found to be unconstitutional or improper, it shall be severed herein and shall not affect the validity of the remaining portions of this Resolution.

Section 4. This Resolution shall be come effective immediately upon its adoption.

PASSED AND ADOPTED this 7th day of February, by the Board of Supervisors of the North Springs Improvement District, Broward County, Florida.

AGREEMENT

THIS AGREEMENT is made and entered into this _____ day of _____, 2018, by and between:

NORTH SPRINGS IMPROVEMENT DISTRICT, a public corporation and independent special district established by special act of the Florida legislature, as amended and recodified, being situated Broward County, Florida, and whose mailing address is 9700 NW 52nd Street, Coral Springs, Florida 33076 (the "**District**"); and

LENNAR HOMES, LLC a Florida limited liability company, the primary developer of certain lands within the geographical boundaries of the District (the "**District Land**"), whose address is 730 NW 107th Avenue, 3rd Floor, Miami, Florida 33172 and its successors and assigns (all referred to herein as the "**Developer**").

RECITALS

WHEREAS, the District desires to design and construct a new pump station, Pump Station No. 3, and related facilities (collectively, the "**Pump Station No. 3 Project**"), as more fully described in the Master Engineers Report for Pump Station No. 3 Project Serving Pump Station No. 3 Assessment Area dated January 10, 2018 prepared by the District's Engineer and attached hereto as **Exhibit A** (the "**Engineer's Report**") which benefits the assessable property described and defined in the Engineer's Report as the "Assessment Area," which is comprised of a portion of the area of the District known as the "Wedge" (the "**Assessment Area**"). While the drainage system in the Assessment Area is functioning as designed, the District desires to enhance and provide additional flood protection and reduce periods of nuisance ponding after storm events for the certain lands within the Assessment Area by implementing the Pump Station No. 3 Project; and

WHEREAS, the Engineer's Report states and the District represents that the cost for design and construction of the Pump Station No. 3 Project will not exceed $4,000,000.00; and

WHEREAS, the Developer developed certain lands, known as Miralago Estates and Town Parc at Miralago, situated within the Assessment Area, and located east of Nob Hill Road (collectively, "Miralago East"); and

WHEREAS, the Pump Station No. 3 Project will proportionately benefit each single-family, multi-family, commercial and institutional unit planned in the Assessment Area, generally comprised of Miralago East and the Cascata, Parkland Bay and Watercrest communities and the PCD Site (as defined in the Engineer's Report); and

WHEREAS, the District, in accordance with the powers, obligations, and responsibilities outlined in Chapter 2005-341, Laws of Florida, as amended, which is the approved Charter of the District and other applicable law, including Chapter 298, Florida Statutes (collectively, the "**Act**"), is empowered to furnish the Pump Station No. 3 Project; and

CS 2/1/18

WHEREAS, the District shall obtain portions of the necessary funds to pay for the Pump Station No. 3 Project through the issuance of special assessment revenue bonds (the "**Bonds**") and, subject to Section 5, all assessable lands deriving a benefit from the Pump Station No. 3 Project in the Assessment Area shall be responsible for their share of the cost of the Pump Station No. 3 Project; and

WHEREAS, the District has undertaken or will undertake the proceedings (collectively, the "**Assessment Proceedings**") required by the Act to impose non-ad valorem special assessments (the "**Special Assessments**") on the assessable properties in the Assessment Area in accordance with the assessment methodology set forth in the Engineer's Report in order to pay the costs associated with the Pump Station No. 3 Project; and

WHEREAS, the Assessment Proceedings will permit the Special Assessments to be prepaid, without interest, prior to the issuance of the Bonds and to be prepaid, with interest, following the issuance of the Bonds, all as set forth in the Assessment Proceedings; and

WHEREAS, the Bonds will be payable from the revenues derived by the District from the levy and collection of the Special Assessments on the assessable property in the Assessment Area with respect to which a prepayment of the Special Assessments has not been made prior to the date of issuance of the Bonds (subject to the right of owners of assessable property to prepay Special Assessments following the issuance of the Bonds in accordance with the Assessment Proceedings); and

WHEREAS, it is possible that land not currently in the Assessment Area will be annexed into the District's boundaries in the future and such land, together with certain other land in the area of the District known as the "Wedge" will be connected to, and thus, benefit from the Pump Station No. 3 Project (the "**Additional Benefitted Parcels**"); and

WHEREAS, at such time as the Additional Benefitted Parcels are connected, or planned to be connected, to the Pump Station No. 3 Project, such Additional Benefitted Parcels are expected to pay (through non-ad valorem assessments, user fees or combination thereof) their proportionate share of the cost of the Pump Station No. 3 Project (the "**Additional Benefitted Parcels' Contributions**"), and it is possible that NSID will receive other amounts in the future, in addition to revenues from the levy and collection of Special Assessments and the Additional Benefitted Parcels' Contribution, that it may elect to apply to redeem Bonds and refund a portion of the Prepayment, as described herein (such amounts, together with the Additional Benefitted Parcels' Contributions being referred to collectively as the "**Additional Available Amounts**"); and

WHEREAS, the Developer, although not obligated to, has volunteered to pay the District the Prepayment, as described below, which the District intends to use to prepay the Special Assessments, without interest, as permitted by the Assessment Proceedings, on behalf of, and with respect to, all of the 520 single-family residential units and all of the 230 multi-family units in Miralago East that are or will be subject to the Special Assessments, such prepayment being calculated in accordance with the Assessment Proceedings and the assessment methodology set forth in the Engineer's Report, and to be made in the aggregate amount of $ One Million One Hundred Ninety Seven Thousand Three Hundred Twenty Five Dollars ($1,197,325.00) (the "**Prepayment**"); and

2/1/18

WHEREAS, the Prepayment will be applied solely to defray costs associated with the Pump Station No. 3 Project and may be refunded, all or in part, as provided herein; and

WHEREAS, the Developer agrees and acknowledges that this Agreement shall be binding upon its executors, receivers, trustees, successors and assigns.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties hereinafter recited, the receipt and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

1. The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

2. Within fifteen (15) days after the execution hereof by both parties, the Developer agrees to deposit the Prepayment with a banking institution identified in writing by the District and authorized to do business in the State of Florida (the "**Bank**").

4. The Prepayment shall be held by the Bank in a separate interest bearing fund or segregated account of the District dedicated solely for purposes of funding the Pump Station No. 3 Project (the "**Improvements Fund**"). The District may draw on the Improvement Fund to pay any construction draw payment request by the contractor awarded the bid for the construction of the Pump Station No. 3 Project.

5. The District will use its best efforts to cause the Bonds to be issued within one (1) year of execution of this Agreement. Notwithstanding such issuance, the District shall not levy any assessments against property within Miralago East for payment of any such special assessment revenue bond or other debt instrument in addition to the Special Assessments being prepaid. Further, District shall cause the Pump Station No. 3 Project to be completed in substantial accordance with the Engineer's Report within two (2) years of execution of this Agreement. For purposes of this Agreement, completion of the Pump Station No. 3 Project shall be evidenced by Developer's receipt of a certificate of completion from the District Engineer (the "**Completion Certificate**"). If the District does not issue the Bonds, or complete construction of the Pump Station No. 3 Project, for whatever reason, within the two (2) year time period set forth above, this Agreement shall be deemed terminated, and an amount equal to the Prepayment shall be refunded by the District to the Developer within thirty (30) days of such termination, and thereafter the repayment obligations in Section 6 hereunder shall likewise be terminated. The District's obligation to refund an amount equal to the Prepayment set forth in this Section shall survive the termination of this Agreement.

6. In the event the District receives amounts representing Additional Benefitted Parcels' Contributions, and/or Additional Available Amounts such amounts shall be applied, pro rata, to refund to the Developer an allocable portion of the Prepayment and to redeem an allocable principal amount of the outstanding Bonds, based on the original amount of the Special Assessments levied on the assessable units in Miralago East and on the assessable residential and commercial units in the balance of the Assessment Area. The final cost of the Pump Station No. 3 Project shall be certified by the District Engineer at the time of execution and delivery of the Completion Certificate. To the extent such cost is less than the estimated $4 million cost on which the Prepayment is calculated, the District will refund to the Developer the amount, if any, by which

CS
2/1/18

the Prepayment exceeds the amount that would have been calculated as the Prepayment using the assessment methodology set forth in the Engineers Report and the actual cost of the Pump Station No. 3 Project (rather than the $4 million as used in the Engineer's Report). Such refund shall be made to the Developer from the Districtwithin ten (10) days of such termination.

7. The parties further agree that the Prepayment made pursuant to this Agreement and any refund of the amount of the Prepayment, all or in part, as required hereby shall not include any interest charge or additional fees or costs.

8. The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Pump Station No. 3 Project may change from that described in the Engineer's Report depending upon final design of the development, permitting or other regulatory requirements or other factors. Notwithstanding, the District shall construct the Pump Station No. 3 Project substantially in accordance with the Engineer's Report.

9. Nothing herein shall be deemed to create a pledge of the District's full faith and credit or a general obligation of the District.

10. This instrument constitutes the entire agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only in writing which is executed by both of the parties hereto.

11. The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this Agreement.

12. A default by either party under the Agreement shall entitle the other to all remedies available at law or in equity, which shall include but not be limited to the right of damages, injunctive relief and specific performance. Notwithstanding the foregoing, the parties shall not be entitled to recover any special, incidental and consequential damages. Further, Developer's liability for damages shall be limited to the Prepayment, as reduced by any portion of the Prepayment paid by Developer to District. Further, District may not seek to impose or enforce any damages claim or judgment through imposition and enforcement of a contractual or other lien on property owned by Developer. Nothing herein shall prevent the District from levying and assessing the Special Assessments on the assessable properties within the Assessment Area with respect to which the Prepayment is to be made if Developer does not fund the Prepayment amount pursuant to this Agreement and nothing herein shall be deemed to affect assessable properties within the Assessment Area that are not the subject of this Agreement.

13. In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorney's fees and costs for trial, alternate dispute resolution, or appellate proceedings.

14. This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy

2/1/18

or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns.

15. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida.

16. This Agreement has been negotiated fully between the parties in an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

17. This Agreement, or any monies to become due hereunder, may be assigned, provided that the assigning party first obtains the prior written consent of the other party, which consent shall not unreasonably be withheld.

18. The rights and obligations created by this Agreement shall be binding upon and inure to the benefit of Developer and District, their respective heirs, executors, receivers, trustees, successors and assigns.

19. Whenever used the singular number shall include the plural, the plural the singular; the use of any gender shall include all genders, as the context requires; and the disjunctive shall be construed as the conjunctive, the conjunctive as the disjunctive, as the context requires.

20. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be an original; however, all such counterparts together shall constitute, but one and the same instrument. To facilitate execution and delivery of this Agreement, the parties may execute and exchange executed counterparts by facsimile or e-mail in a PDF file to the other party or to the other party's counsel. Facsimile or signatures in a PDF file shall have the same legal effect as original signatures.

21. All notices, requests, consents and other communications under this Agreement (each a "**Notice**" and collectively "**Notices**") shall be in writing and shall be delivered, mailed by either (i) First Class Mail, postage prepaid, (ii) overnight delivery service or (iii) email (with a copy of such Notice also sent via (i) or (ii)), to the parties, as follows:

SECTION 1

Introduction

1.1 General

At the request of the Board of Supervisors (the "Board") of North Springs Improvement District ("NSID" or the "District"), the District's engineer has prepared this Master Engineers Report (the "Master Engineers Report"). The Master Engineers Report covers a distinct assessment area within the boundaries of the District designated by resolution of the District as the "Pump Station No. 3 Assessment Area" (sometimes referred to herein as the "Assessment Area").

The District was created in 1971 by special act of the Florida Legislature, currently Chapter 2005-341, Laws of Florida, as amended (the "Special Act" or the "Act"). Its boundaries have subsequently been expanded through amendments to the Act, including most recently in 2017 and now comprises approximately 8,789.2056 gross acres. The District is located in the northwestern portion of Broward County, Florida, approximately 8 miles west of the Atlantic Ocean. The District is predominantly located within the City of Coral Springs and the City of Parkland, with a portion located in unincorporated Broward County. The District is bounded on the west by South Florida Water Management District's (SFWMD's) conservation Area Number 2A, on the south by Wiles Road, on the east by Canal C-11, and on the north by old Holmberg Road and Palm Beach County.

The goal of the District is to undertake a variety of improvements including the reclamation and drainage of land, the provision of water management systems and the establishment of roads and highways, to provide water and sewage facilities to enable the development of land within the boundaries of the District, and to provide various other "assessable improvements" as defined in the Special Act.

The public assessable improvements described herein, all or a portion of which will be financed by the proceeds of the District's Special Assessment Bonds, Series 2017 (Pump Station No. 3 Assessment Area) ("Special Assessment Bonds"), serve the Assessment Area and consist of a new pump station (referred to as "PS3") and related facilities, including deepening and regrading of the 65' canal that flows from the Hillsboro Canal south to Hillsboro Blvd., modifications to the control structure from the Cascata residential development in the District on the east side of the canal as well as install a discharge culvert from the Watercrest residential development in the District on the west to the 65' canal (collectively, the "Pump Station No. 3 Project"). The Pump Station No. 3 Project is comprised solely of "assessable improvements" within the meaning of the Special Act. The Special Assessment Bonds are anticipated to be issued in 2017 pursuant to the applicable provisions of the Special Act, including Section 42 thereof. The Special Assessment Bonds will be secured by revenues derived from the District's collection of non-ad valorem special assessments ("Special Assessments") on the benefitted land in the Assessment Area.

SECTION 2

Assessment Area

Exhibit 2-1 presents a map of the Assessment Area, which is located entirely within the boundaries of the District, in the City of Parkland. Only lands to be developed with assessable residential units and the PCD Site (herein after defined) are considered assessable properties included in the Assessment Area. Based on information available to the District, it is assumed that the land in the Assessment Area will be developed with 2,257 single-family residential units and 230 multi-family units at its anticipated build-out, expected to occur by the fourth quarter of 2024. As of November 1, 2017, the District understands that approximately 1,109 residential units in the Assessment Area have been constructed. In addition, an approximately 10.5 acre site is located within the Assessment Area referred to herein as the "PCD Site". The PCD Site is zoned as a planned commercial district by the City of Parkland. The District does not have definitive information about the ultimate use of the PCD Site. A legal description of the Assessment Area is attached to this report as Appendix A. (Please note that the PCD site is located within the Debuys plat, as recorded in Plat Book 180, Pgs. 147 through 167 of the Public Records of Broward County, Florida.)

To the extent any publicly-owned properties within, adjacent to, or in the vicinity of, the Assessment Area benefit from the Pump Station No. 3 Project that is the subject of this report, they are either not treated as assessable properties within the Assessment Area or excluded from the Assessment Area. This is because the levy of Special Assessments on such properties would result in a duplication of charges to the privately-owned property in the Assessment Area. Other properties in the District, but outside of the Assessment Area, receive only incidental benefit from the Pump Station No. 3 Project that is the subject of this report.

2.1 Assessment Area

The Assessment Area consists of 1,415.49 gross acres (576.84 assessable acres to be developed with residential units and 10.5 assessable acres referred to as the PCD Site) and is located in portions of Sections 20, 28, 29, and 30. It is bounded on the east by University Drive, and on the west by the South Florida Water Management District's (SFWMD's) conservation Area Number 2A, on the south by Hillsboro Boulevard and on the north by the Hillsboro Canal, and a portion of a residential development within the District known as Four Seasons and certain undeveloped land in the District.

2.2 Public Assessable Improvements and Other Water Management Improvements

In addition to the Special Assessment Bonds, the District has issued, and anticipates issuing in the future, its special assessment bonds and water management bonds to finance public water management and other public infrastructure improvements needed to serve the land to be developed with residential units in the Assessment Area. Any other public and private infrastructure needed to serve the residential units in the Assessment Area has been or is expected to be provided by the respective developers of the land within the Assessment Area on which these units are or will be located. Any other public and private infrastructure needed to serve the PCD Site is expected to be provided by the owner of that site.

SECTION 3

Planned Pump Station No. 3 Project

The Water Management Plan for the portion of the District referred to as the "Wedge," of which the Assessment Area is a part, was approved by the South Florida Water Management District (SFWMD) (Application No. 110419-11, Modification No. 06-0073-S, issued 2/13/2012). The approval must be modified to permit construction of the Pump Station No. 3 Project, as more fully described later herein.

NSID's existing drainage area is sub-divided in three main basins: the East Basin, the West Basin and the Wedge Basin. The Assessment area falls entirely within a portion of the Wedge Basin. The East Basin has a water control elevation of 9.0 feet NGVD (National Geodetic Vertical Datum), the West Basin has a water control elevation of 7.0 feet NGVD, and the Wedge Basin has water control elevations of both 8.5 feet NGVD and 9.0 feet NGVD depending on the location of the development.

The East Basin has an approximate total area of 1,067 acres of which approximately 83 acres are lakes and canals. The West Basin has a total approximate area of 6058 acres, with approximately 933 acres of lakes and canals. The Assessment Area (located within the Wedge Basin) has a total acreage of approximately 1,415 gross acres, of which approximately 343 acres are lakes and canals. The combined surface water area (1,016 acres) of the East and West Basins represents at least 11.4 percent of the entire area, which in conjunction with all culverts, AMIL gates (structures that regulate water elevation), and pump stations provides the flood protection level for the 10-year/24-hour and the 100-year/72-hour storm event to the existing drainage area. The combined surface water area (562 acres) of the Assessment Area represents at least 18% of the entire area which provides the flood protection level for the 10-year/24-hour and the 100-year/72-hour storm event in conjunction with all culverts and control structures.

The connection between the East and West Basins was established using three AMIL gates (S-1, S-2, and S-3) that regulate the difference in the water control elevation. Additionally, the District's existing drainage area has a series of interconnecting culverts and pipes designed and distributed to convey storm water runoff to the District's existing two pump stations (referred to as "PS1" and "PS2," respectively).

PS1 is on the west side of the Sawgrass Expressway aligned with the centerline of West Wiles Road. PS1 has four engines each capable of pumping 50,000 gpm. PS2 is in the Heron Bay residential neighborhood within the District by Heron Bay Boulevard across from the Waterford Estates residential neighborhood within the District. PS2 has three engines each with a 50,000 gpm capacity. The District alternates the use of the engines at each pump station to pump at the capacity permitted by SFWMD.

NSID currently operates its surface water management system under SFWMD permit No. 06-0073-S. This permit allows for a pumped discharge capacity of 200,000 gpm through the SFWMD L-36 Canal to either the C-14 or the Hillsboro Canal. During certain flood events controlled by the SFWMD, the District is allowed to discharge 200,000 gpm to the Conservation Area 2A. The Wedge, including the Annexed Area, has a higher water control elevation and, therefore, has to provide storage at that elevation. The Wedge water control system conveys flow into the District's existing drainage area. Retention requirements for the existing drainage area are currently met in the existing canals and lakes. Lake areas within the existing drainage area were constructed in concert with development construction. As such, no additional widening of the lakes and canal in the existing drainage area is anticipated.

The Pump Station No. 3 Project is needed to provide additional flood protection and reduce periods of nuisance ponding after storm events for the Assessment Area. Due to recent storm events, an extensive review of previous drainage studies and models was conducted. The system as designed prevents flooding of the homes as required however to respond to changes in land use, development, and extreme storm frequency we are recommending the Pump Station No. 3 Project to provide pre-storm and post-storm

pumping down of the lakes and canals to reduce the timeframe of water ponding on streets and residential lots.

The Pump Station No. 3 Project will be designed using the current criteria of the SFWMD: maximum allowable discharge of 0.5 inches of the retention volume in 24 hours and maximum allowable discharge of the Hillsboro Canal 25-year/3-day volume.

The Pump Station No. 3 Project will be constructed and acquired in accordance with the schedule discussed in Section 3.5.1. All components of the Pump Station No. 3 Project financed by the Special Assessment Bonds will be located on public property, including within public right of way, or subject to public easements granted to the District, and will be open or otherwise available to the general public as part of the District's water management system. The following describes the Pump Station No. 3 Project, which will be owned, operated and maintained by the District.

3.1 PS3

The Pump Station No. 3 Project will consist of a concrete building to house 2-50,000 gpm pumps, motors and related facilities including all the structural, mechanical, electrical, and communication systems required.

3.2 Appurtenant Facilities

In addition to PS3, the 65' NSID canal will have to be cleared and regraded, the control structure from the Cascata development on the east will require modifications and an interconnect culvert from the Watercrest development will need to be installed to provide an interconnect culvert to the NSID canal.

3.3 Construction Costs

Exhibit 3-1 presents a summary of the total estimated construction costs for the Pump Station No. 3 Project. These costs estimates are based on the District Engineer's Estimates and include a 10 percent contingency.

Construction of these improvements is expected to commence during the first quarter of 2018 and to be complete by the second quarter of 2018. The District will be responsible for causing all components of the Pump Station No. 3 Project to be constructed.

EXHIBIT 3-1
Pump Station No. 3 Project Planned Improvements

Pump Station No. #3	$1,775,000
NSID 65' Canal Modifications	$ 300,000
Control Structure Modifications	$ 55,000
Interconnect Culvert	$ 250,000
Engineering	$1,200,000
Permitting	$ 20,000
Contingency	$ 400,000
Total	**$4,000,000**

3.4 Apportionment of Benefits

The following discusses the apportionment of the benefits of the Pump Station No. 3 Project within the Assessment Area. Section 5 presents the actual apportionment of these benefits and resulting Special Assessments.

3.4.1 Assessment Area

The Pump Station No. 3 Project will benefit each single-family and multi-family unit planned in the Assessment Area equally; thus, all of the costs are apportioned to residential units on a per-dwelling-unit basis. The costs are apportioned to the PCD Site on a per acre basis.

SECTION 4

Permits and Approvals, and Construction Status

A modification to the existing South Florida Water Management District permit will be required along with building permits from the City of Parkland and a permit from the Army Core of Engineers.

These permits are expected to be obtained within a time frame commensurate with the expected design and construction schedule for the applicable improvements. At this time, there are no known issues that could reasonably be expected to prevent or delay the issuance of the permits, and the permits are expected to be obtained in the ordinary course of business.

SECTION 5

Apportionment of Estimated Cost of Improvements

5.1 Background

In accordance with Section 42 of the Special Act creating the District, the District Engineer is required to prepare the tentative apportionment as between the District and each lot or parcel of land to be assessed as a result of the Pump Station No. 3 Project described herein of the estimated total cost of said assessable improvements, including estimated amount of discount, if any, financial expenses upon the sale of the assessment bonds or any other obligations for which special assessments are to be pledged, and interest prior to and until not more than 2 years after the completion of said assessable improvements. The apportionment of the cost of improvements is on an equal per unit basis to residential units and to the PCD Site on a per acre basis.

As noted above, it is anticipated the District will issue the Special Assessment Bonds to pay a portion of the cost of the public assessable improvements described herein; fund a capitalized interest account to pay interest through November 1, 2018; fund a debt service reserve account; and pay issuance costs.

Exhibit 5-1 shows the estimated amount of the Special Assessment Bonds, along with the amount of funds to be generated for the project fund, the amount to be deposited to pay capitalized interest, the amount to be deposited to the debt service reserve account, and the amount to pay costs of issuance. The Special Assessment Bonds will be repaid in 20 annual payments. Exhibit 5-2 shows the allocation of costs to each of the planned units and PCD Site, the amount of debt allocated, and the per-unit or per-acre annual Special Assessments for the Assessment Area. These matters are preliminary and subject to change, based upon the final details of the Special Assessment Bonds

EXHIBIT 5-1

NSID Special Assessment Bonds – Pump Station No. 3 Assessment Area Bond Sizing*

Sources	
Bond Proceeds:	
Par Amount	$4,625,000
Total Sources	$4,625,000
Uses	
Project Fund	$4,000,000
Other Fund Deposits:	
Reserve Fund	$176,475
Capitalized Interest Fund	$190,781
Delivery Date Expenses:	
Cost of Issuance	$257,744
Total Uses	**$4,625,000**

Interest Rate-Average	4.50%
Amortization (years)	20
Capitalized Interest	Through 11/1/18
Reserve Fund	50% of Maximum Annual Debt Service

*Preliminary, subject to change.

EXHIBIT 5-2

NSID Special Assessment Bonds – Pump Station No. 3 Assessment Area Allocation of Costs and Debt

Development	Planned No. of Units	Total Costs Per Unit	Total Assessable Improvement Costs	Total Par Debt*	Allocation of Par Debt per Unit*	Maximum Annual Debt Assessment Total*	Annual Debt Assessment Per Unit[1*]
MiraLago	750	$1,596.43	$1,197,325	$1,384,407	$1,845.88	$105,649	$140.87
Watercrest	589	$1,596.43	$940,299	$1,087,221	$1,845.88	$82,970	$140.87
Cascata	596	$1,596.43	$951,474	$1,100,142	$1,845.88	$83,956	$140.87
Parkland Bay	552	$1,596.43	$881,231	$1,018,923	$1,845.88	$77,758	$140.87
	Acres						
PCD Site	10.5	$2,825.88	$29,672	$34,308	$3,267.42	$2,618	$249.35
Totals	**2,497.5**		**$4,000,000**	**$4,625,000**		**$352,950**	

Notes:

[1]This amount will be grossed up to include discounts for early payments and Broward County collection fees when collected on the Broward County tax bills (currently 7%).

*Preliminary, subject to change.

5.2 Special Assessment True-Up Mechanism

The Special Assessments are calculated based on the proposed development plan for residential units and the zoning of the PCD Site in the Assessment Area. The Special Assessments will initially be assessed to platted residential lots and to the PCD Site acreage in accordance with Exhibit 5-2. The assessments not assigned to residential platted lots will be allocated to the remaining assessable acres planned for residential lots within the Assessment Area on an equal per-acre basis. As additional residential lots are identified by a property identification number by the Broward County Property Appraiser. Each residential lot will receive an assessment amount based on the apportionment described in this report; remaining residential property will continue to be assessed on a per-acre basis.

If there is a change to the development plan, the District will determine the amount of anticipated revenue that would be generated from the Special Assessments based on the revised development plan. If the total anticipated revenue to be generated is greater than or equal to the maximum annual debt service for the Special Assessment Bonds, then the Special Assessments will be adjusted downward. Should the revenue generated be less than the required amount for the Special Assessment Bonds, then a debt reduction payment by the applicable landowner in the amount necessary to reduce the par amount of the outstanding Special Assessment Bonds to a new maximum annual debt service that will be supported by the Special Assessments will be required.

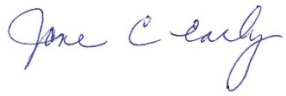
SECTION 6

Conclusions

Based on the information included in this report, it is the opinion of the undersigned that the proposed Pump Station No. 3 Project complies with, or will comply with, the requirements of the City of Parkland, Broward County, SFWMD and the District. A modification to the existing South Florida Water Management District permit will be required along with building permits from the City of Parkland and a Fuel Tank permit from Broward County. These permits are expected to be obtained within a time frame commensurate with the expected design and construction schedule for the applicable improvements. At this time, there are no known issues that could reasonably be expected to prevent or delay the issuance of the permits, and the permits are expected to be obtained in the ordinary course of business.

The Pump Station No. 3 Project improvements described herein provide special benefit to the planned residential units in the Assessment Area, are needed for the development of the developable lands within such assessment area, and constitute assessable improvements within the meaning of the Special Act.

As the overall plan is constructed, changes in location of certain works may be required to avoid conflict with development of land areas within the District. Such location changes will not jeopardize the benefits of the plan.



By:_____

Jane C. Early, P.E., District Engineer
North Springs Improvement District
